

THE
BUSKER
IRISH WHISKEY

IT'S A "NEW TO WORLD" IRISH WHISKEY THAT IS FOUNDED IN TRADITION BUT GUIDED BY A VERY MUCH CONTEMPORARY, YOUTHFUL, BOLD AND IRISH AMERICAN PERSONALITY.

IT'S MADE AT ROYAL OAK DISTILLERY, PROUDLY LOCATED ON AN 18TH CENTURY ESTATE IN IRELAND'S ANCIENT EAST REGION, IN THE COUNTY CARLOW, WHERE ALL THREE CLASSIC IRISH STYLES OF WHISKEY - SINGLE GRAIN, SINGLE MALT & SINGLE POT - ARE PRODUCED UNDER ONE ROOF.

THE SINGLE

COLLECTION

THE BUSKER

IRISH WHISKEY

Type: whiskey
Alcohol content: 44,3%
Colour: light, pale straw
Bouquet: medium body, caramel, slight vanilla and oak notes
Palate: caramel, sweet, vanilla oak and spice
Conclusion: long dry and sweet finish

THE BUSKER IRISH WHISKEY SINGLE GRAIN

The secret to our The Busker Single Grain is in choosing and blending the highest quality spirits, then maturing and finishing them artfully in ex bourbon casks and in rare, hand selected marsala casks from Cantine Florio 1833, one of the oldest cellars in Sicily. The whiskey's caramel bouquet, with slight vanilla and oak notes, preludes a sweet, smooth palate with long-lasting vanilla, caramel, oak and hay scents.

THE BUSKER

IRISH WHISKEY

Type: whiskey
Alcohol content: 44,3%
Colour: deep golden colour
Bouquet: fruity (apple, banana), pine essence, scented, elderflower, malt biscuit
Palate: very intense, rich, chocolate notes
Conclusion: medium length, sweet and cream finish

THE BUSKER IRISH WHISKEY SINGLE MALT

The Busker Single Malt is a delightful discovery, an intense journey into the realm of taste. The whiskey is distilled in large copper stills, then matured in two different woods (ex bourbon casks and sherry casks) so as to offer a complexity of gustatory sensations to savor little by little. Presenting a strong fruity bouquet (apple, banana) complete with pine essence and elderflower scents, The Busker Single Malt has a taste that opens with rich, intense chocolate and biscuit notes, concludes with a sweet and cream finish.

THE BUSKER

IRISH WHISKEY

WHISKEY

Type: whiskey

Alcohol content: 44,3%

Colour: burnished copper

Bouquet: rich, complex, perfumed, fresh flowers, honey, oak, fudge, clove oil

Palate: deep and intense rich spiciness with peppery notes and hints of vanilla and toffee fudge

Conclusion: very long, warm, rich spicy finish

THE BUSKER IRISH WHISKEY SINGLE POT STILL

The Busker Pot Still is the most unique and distinctive expression of Irish whiskey. Made from barley the traditional way in copper stills, then matured and finished in ex bourbon and sherry casks, it has a rich bouquet of fresh flowers, honey, oak and clove oil that's a fragrant prelude to an intense spiciness complete with hints of vanilla and toffee fudge. For taste buds it's an exceptional concoction of flavors that kicks off with peppery notes balanced harmoniously with some toffee and vanilla scents before reaching that long, warm, rich spicy finish. With The Busker whiskey range the journey into the realm of taste is irresistibly enticing: it begins with that first sip and soon becomes a never-ending exploration full of surprises. Rich and intense, new every time.
