

*Tia Maria*®  
COLD BREW  
COFFEE LIQUEUR

Type: liqueur

Alcohol content: 20%; 26,5% USA version

Colour: dark amber with sparkling gold reflections.

Aroma: the strong aroma of coffee emanates immediately and opens itself with light notes of chocolate and pipe tobacco, before then softening with hints of caramelized cane sugar and vanilla.

Flavour: initially sweet on the palate, Tia Maria quickly becomes more harmonious thanks to a discreet freshness and acidity which is typical of 100% Arabica coffee.

#### TIA MARIA COLD BREW COFFEE LIQUEUR: PERFECTLY BALANCED

Tia Maria Cold Brew coffee liqueur owes its important aromatic structure to the fine 100% Arabica coffee, that has a bold coffee character and a complex aromatic structure. It has a strong coffee character and a complex aromatic structure. It is crafted from 100% Arabica beans sourced exclusively from Brazil. The beans undergo a patented roasting method that preserves their maximum aromatic notes, and the medium roast uncovers undertones of cacao and tobacco. Through cold brew extraction, it achieves a flawless sweetness-smoothness balance. Excellent with ice and ideal to make the perfect Espresso Martini.
