FRESH AND AUTHENTIC LIQUEUR MADE WITH SICILIAN LEMONS

Isolabella Limoncello is a unique experience, a 100% natural liqueur that captures the essence of Sicily in every sip. Its brilliant color and intense flavor come from the artfully selected peels of Sicilian lemons. Utmost attention is devoted to the peeling process, which takes place as delicately as possible so as to extract and preserve the precious essential oil. The subsequent cold infusion of the rinds, done by hand, then ensures that both taste and aroma remain unaltered over time. Limoncello Isolabella is a specialty liqueur, 100% natural, boasting origins that enfold the unique beauty of ever enchanting Sicily. Perfect to enjoy chilled or to create a Limoncello Spritz.
